# MENDIP OPEN GREEN HOMES AND GARDENS

Visit homes in towns and villages from Glastonbury  
to Frome, and Wedmore to Wanstrow

Thursday 10 to Sunday 13 September 2009

- See renewable technologies in action
- Hear how others have created energy efficient homes
- Learn about sustainable living from your neighbours
- Be inspired to green your own home
- Find out about green products, local builders and suppliers

**Includes new homes and renovations**

For more information visit: [www.mendipenvironment.org.uk](http://www.mendipenvironment.org.uk)

This project is brought to you by Mendip Environment Community Interest Company, working in partnership with Transition Glastonbury, Sustainable Frome and the Wedmore Green Group.

Mendip Environment is grateful to Solarsense-uk Ltd for sponsorship of this flyer.
